Dear Sir:-

The work by Alfred Roseleur entitled "Galvano-
Plastic Manipulation," about which you write in your query
of the 20th instant, was issued at Philadelphia in 1872 by
Henry Cary Baird.

January 24th, 1922.

Mr. Joseph Cinelli,
707 East 187th Street,
New York.

Dear Mr. Cinelli:-

I am informed that the book on Galvano
Plastic Manipulation about which you asked me
was published in 1872. For that reason it is
probably out of print. I am trying to obtain
a copy however, but it will probably require
some time. I will write you again when I have
further word.

Very truly yours,

Secretary.
